SYMPOSIUM OF SPIRITUALITY "RAYS OF A UNIQUE LIGHT" by Emy Blesio

(Presidente World Community e International Yog Confederation di Delhi), who opens the Symposium with a FORMAT created by herself in Milan in 2008 and continued for 3 editions with ever growing success and attention by the public and the press. The program is structured as a talk show that relieves the austerity of the subject to make it accessible to the public as a spectacle, high and very emotional.

The format includes:

Interviews and dialogues between Emy Blesio and the guests of the Symposium, representatives of various religious and spiritual lines. Each will give a brief introduction to introduce its own line.

Guests are available for a debate to the audience in the hall, which allows you to grow, and make grow in a mutual respect.

So the questions are not only permitted but strongly required.

The dancers come on stage, carrying candles, symbol of light and knowledge.

We performs a rite of consecration of the stage with mantra and thoughts that will be proposed by any representative of the present spiritual lines.
