There is not a strict schedule of commitments. There are already too many commitments during the working year... Everything is planned in complete freedom.

What to bring?

Comfortable clothing, T-shirts, light trousers wide, a shawl or sweater for morning meditation, a practice mat, a notebook and pencils or pens.

Of course, swimsuits, sunglasses, sunscreen etc.. all the needing for sea and beach.

How to get there?

By low cost flight is 106 euros, go and back, (now...but it could be even less) it is a good price in this season. As soon as you will book and less will cost. (Or ferry from Genova or Napoli to Palermo, then a bus, airport and port are not too far from the Hotel)

The cost per person in double room half board (breakfast and dinner) we are dealing with a special convention for groups ... for now, without convention is 60 euros. Half board, the full board is 70 (but we are asking for a special price). More and more we are and lower will be the cost.)
